About CMSP

The Community Music School of the Piedmont is an independent, non-profit 501(c)(3) organization and a member of the National Guild of Community Schools of the Arts.

Established in 1994 we have since grown to serve 500 students, both children and adults, from across the region at multiple locations throughout Clarke, Fauquier, Frederick, and Loudoun counties.

Our Mission

CMSP is dedicated to providing high quality music instruction and performance opportunities for all members of our Piedmont community.

Private Instruction

We provide individual instruction and classes for children and adults on a variety of instruments. Suzuki instruction is available for piano, violin and cello. Recitals are held regularly throughout the school year.

Early Childhood Music

We offer several exciting music programs for children of all ages, ranging from birth through early elementary school.

Performance Ensembles

Vocal and instrumental ensembles meet throughout the year. A placement audition is usually required.

Music Therapy

Music Therapy is a professional discipline that utilizes music to achieve goals, both musical and non-musical. Programs are specifically designed to meet the needs of each student. We offer music therapy in both individual and group classes.

Workshops, Masterclasses, Camps

Students of all ages and skill levels have the opportunity to improve technique and learn new repertoire (even a new instrument!) in a fun group setting.

Community Outreach

We host several performances and special events throughout the year. With the exception of our annual Candlelight Concert fundraiser, all performances, recitals and events are free and open to the public.

Locations

CMSP has several locations in Clarke, Fauquier, Frederick, and Loudoun counties, currently: Upperville, Aldie, Middleburg, Millwood, Purcellville, The Plains, Waterford, and Stephens City.
